HOTEL REOPENING GUIDANCE: WELCOMING BACK GUESTS

June 2020

REOPENING GUIDANCE FOR INDIVIDUAL/LEISURE TRAVELERS

On June 5, 2020, the California Department of Public Health [announced](#) that individual/leisure travel can start next Friday on June 12th, *if your county allows*.

So far, all but eight counties that have submitted attestations to the California Department of Public Health (CDPH) are eligible to allow individual/leisure travelers at hotels. (The counties that have met the readiness criteria specified in filed attestations are listed [here](#).)

With the announcement, the CDPH and Cal/OSHA revised the [COVID-19 Hotel and Lodging Industry Guidance](#), which includes updated guidance on pools and safety measures to prevent Legionnaires' disease if a hotel property has been closed and is re-opening, among other revisions.

This revised guidance requires several important steps such as developing a worksite specific plan and completing employee training prior to re-opening.

As a member benefit, CHLA has developed the following tools:

- CHLA Clean + Safe Guidance for the Hotel Industry*
- CHLA COVID-19 Hotel Plan (the "worksite specific plan")*
- Employee Training Materials*
 - Developed for Video Conferencing
- Cleaning + Disinfecting Your Hotel Facilities (optional)*
 - Developed for Video Conferencing
- Employer Resources
 - Employer Talking Points
 - Sample Forms/Acknowledgements/Signage
- CHLA Clean + Safe Self-Certification

With the exception of the CHLA Clean + Safe Guidance, these materials are *only* available to CHLA members.

Where applicable, these materials were developed in accordance with the guidance from the California Department of Public Health, California Division of Occupational Safety and Health (Cal/OSHA), and the Center for Disease Control, among other public agencies.

**Available in Spanish soon.*

CORONAVIRUS INFORMATION + RESOURCES

Stay up-to-date on the latest information on CHLA's website, including:

- Re-Opening Resources
- Resources for Business & Employees
- California & National Updates & Resources
- Official COVID-19 Information Sources
- County Orders

PREVENTION STEPS

- Clean your hands often
- Avoid close contact
- Cover your mouth and nose with a cloth face cover when around others
- Cover coughs and sneezes
- Clean and disinfect
- The best way to prevent illness is to avoid being exposed to this virus.

Find complete, detailed information from the [Center for Disease Control](#) website.
