

Dell Small Business Partner Outreach Program

TECH | ADVICE | PARTNERSHIP

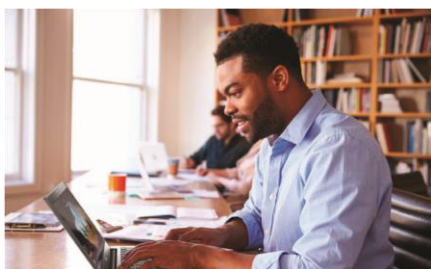

○ PRODUCTS

Dell designs PCs for Small Businesses with the security, flexibility and easy manageability that allows for continued growth while also delivering reliable performance day after day.

○ PARTNERSHIP

Dell Strategic Partnership Account Executives are available for onsite Tech Consultations to partner with your business and help with your tech needs. From selecting the right systems to incorporating servers or creating networks for employees and clients near and far, they can make managing your technology easy.

○ EXCLUSIVE PARTNER PROMOTIONS

Ensuring partners & members always have access to exclusive promotions, not only providing you with the right **Dell** solution, but at the best price.

○ SUPPORT

Small Business Owners are on 24/7. So are we. Get round-the-clock access to IT help with Pro Support, only from **Dell**.
